

## MOBILE APP DEVELOPER – FULL TIME (M/F)

Hi, we are Golf Post, the digital home for golfers. We are a strongly growing sports tech startup based in Cologne. Our vision is to provide the best experience for golfers to stay in touch with the game of golf.

Do you enjoy app development? Are you looking for a challenge and are a real team player? Have you already implemented your first projects and would like to further develop your skills with state-of-the-art technology in a friendly, international and ambitious development team? As part of our expansion, we are searching for somebody to start as soon as possible for the position of “**Mobile App Developer (m/f)**” to join our 15-man team at Golf Post.

### YOUR RESPONSIBILITIES:

- Developing new features for our growing community within our apps – iOS and/or Android
- Continuously improving the user interface with the help of feedback from the community
- Teamwork with other developers
- Troubleshooting and technical support

### OUR PROMISE:

- We have flat hierarchies and short decision paths
- Your opinion is important to us – we offer plenty of creation space for your ideas and work in a comfortable work environment in a dynamic and innovative team
- Coffee and cappuccino en masse, a kicker and many amenities are waiting for you
- Our office is situated in the city center
- We are part of the startup incubator STARTPLATZ with many exciting opportunities to connect with other startups and to join the local startup ecosystem
- We provide flexible working hour models as well as a vast array of team events
- ...and a young and open minded team which is looking forward to meeting you!

### OUR REQUIREMENTS:

- Tech stack: Swift, Kotlin
- You have experience with REST API
- You have experience in common UX/UI design
- Ideally you have experience with Swift, Kotlin

Are you interested?

Send us your application (resume and cover letter) via email. We are looking forward to meeting you! (Contact: Lutz Grätz, Email: [jobs@golfpost.de](mailto:jobs@golfpost.de))
